

A man with a beard, wearing a blue long-sleeved shirt, is leaning over a large pile of wool, examining it closely. In the background, other people are visible, some also looking at wool, in a large indoor arena with a high ceiling and metal beams. The scene is a sheep competition at a show.

SHEEP COMPETITION

2025 PERTH ROYAL SHOW SCHEDULE

ROYAL
AGRICULTURAL
SOCIETY
of WA

“TO PROMOTE THE EXCELLENCE IN SHEEP BREEDING IN WA”

Each year around 800 sheep come to the Show to be judged on their meat, wool and breeding excellence. While they're here they live in the Horwood Pavilion. A wide variety of breeds are represented from the Merino, Corriedale and Australian White to traditional breeds including Border Leicester, South Suffolk, Suffolk, Shropshire, Wiltshire Horn, and Wiltipoll together with Poll Dorset, Prime SAMM, Texel, Il de France,

Hampshire, Charollais, Lincoln and White Suffolk. The All-Breeds Supreme Stud Ram and Ewe Sale is a colourful and busy event which draws plenty of spectators and buyers, vying for some of the best sheep genetics in Australia. Over many years farmers have brought their best sheep to the Show to put on display and demonstrate their dedication to breeding excellence.

CONDITIONS

GENERAL REGULATIONS

The General Show Regulations apply to all competitions of the Show. These Conditions apply to the Wool Competition only. If there is inconsistency between the General Show Regulations and these Conditions for the Wool Competition, these Conditions prevail.

Upon acceptance of an entry the Exhibitor is irrevocably contracted to be bound by the General Show Regulations and these Conditions.

A copy of the Society's General Show Regulations may be obtained on application or downloaded from the website <http://perthroyalshow.com.au/general-regulations>.

An Exhibitor who breaches any General Show Regulation or Wool Conditions may be disqualified, or suspended for any period, fined or otherwise penalised.

The Society may recognise and act upon any penalty imposed by any other similar society, organisation or body in Australia on any person or exhibit.

LIABILITY AND INDEMNITY

The attention of Exhibitors is drawn to General Show Regulation 17, with reference to the Society's Liability and Indemnity.

CONDITIONS

1. CONDITIONS OF ENTRY

- 1.1 All livestock exhibits must be bred by the Exhibitor, or owned, leased or syndicated by the Exhibitor for a minimum of six (6) months as at the date of judging and provide proof of the transaction by way of receipts or registration papers.

- 1.2 When an Exhibitor is officiating as a Judge at the Show and wishes to present animals for sale the Exhibitor is prohibited from exhibiting for judging purposes on that occasion.
- 1.3 All sheep must be shown in the wool unless otherwise specified.
- 1.4 No sheep, except those entered for sale or competition, will be allowed on the Showground without the permission of the Councillor in Charge.
- 1.5 Duty of Care to Animals: A person who has the care or charge of an animal has a duty to take all reasonable measures to ensure the welfare of that animal. According to the Animal Welfare (Cattle and Sheep) Regulations 2020 state that if a ewe is known to be or is visually assessed to be more than 19 weeks pregnant, she is unfit for transport.
- 1.6 All Exhibitors, or their nominee, must be in attendance and responsible for presentation of sheep to Judges.
- 1.7 Exhibitors of British breeds, Corriedale and other breeds are requested to provide suitable leads for their sheep to facilitate the handling and judging of exhibits if they so wish.

2. COMPLETION OF ENTRIES

- 2.1 Definition of a Novice: Restricted to breeders who have not won a first prize in Open classes at any Royal Show in the breed in which they are competing. Breeders competing in the Novice class can compete in the Open class. Novice class results do not count towards Governor Cup points.
- 2.2 Individual breed requirements are listed in the Breed Descriptions of the Australian Flock Register.
- 2.3 Ewes exhibited in lambs at foot classes must have a lamb that is purebred or registered appendix flock lamb of her own breeding at foot.

3. AGES OF SHEEP

- 3.1 As the industry recognises teeth as a readily available means of assessing the age of sheep, the following definitions are to be used to determine the correct age for various classes of competition for the purpose of the Show across all breeds of sheep.
- 3.2 Ages mentioned are a guide. Viewing teeth determines the ultimate classes in which sheep are to compete.
- 3.3 A tooth is considered to have erupted once it has broken the gum. This interpretation is subject to breed inspector's decisions.
- a) All lamb classes: No evidence of eruption of permanent teeth. Lamb's teeth (8 milk teeth). 1 month to 12 to 18 months.
- b) Under 1½ years: Not to show more than two (2) permanent incisor teeth. Two-tooth (2 central incisors and 6 milk teeth). 2 to 18 months.
- c) Over 1½ years and under 2½ years: Not to show more than four (4) permanent incisor teeth. Four-tooth (2 central, 2 middle incisors and 4 milk teeth). 18 months to 2 years.
- d) Over 2½ years and under 3½ years: Not to show more than six (6) permanent incisor teeth. Six-tooth (2 central, 2 middle, 2 lateral incisors and 2 milk teeth). 2½ to 3½ years.
- e) Over 3½ years: To show eight (8) permanent incisor teeth. Eight-tooth (2 central, 2 middle, 2 lateral and 2 corner incisors). 3½ to 4 years and older.

4. NUMBER OF ENTRIES PER CLASS

- 4.1 Exhibitors are limited to three (3) entries in any one (1) class and the Society reserves the right to further restrict entries to two (2) per class, after entries close, if found necessary because of lack of penning space.

5. TRANSFER OF ENTRIES

- 5.1 In all sheep breeds, animals entered in their incorrect age class may be transferred to their correct class subject to application being made to the Councillor in Charge and approved at least one (1) hour prior to the stipulated judging time, and subject to such transfer not exceeding the maximum number of entries allowed in any one (1) class. The onus is on the Exhibitor to be aware of any class transfers made by the inspection team.
- 5.2 Merino: Exhibits will be inspected with respect to wool type, e.g. super fine, fine, medium or strong wool, and age on Friday 26 September 2025 after the completion of penning.

6. REFUND OF ENTRY FEES

- 6.1 No refunds will be given for livestock exhibits except where RASWA has excess entries in a section or class and is unable to accommodate them.

7. WITHDRAWAL OF EXHIBIT

- 7.1 A Veterinary certificate may be requested by RASWA if an exhibit is withdrawn due to illness or injury.

8. IRREGULAR SHEEP ENTRIES

- 8.1 In the event of sheep being entered in the wrong wool type, with exception of Merinos, the Judges have the right to request Stewards to place the exhibits in their correct class.

9. DAYS GROWTH OF WOOL

- 9.1 Border Leicester: Except in the classes provided for shorn sheep, all exhibits in these classes must be carrying not less than nine (9) months nor more than 13 months growth of wool at time of inspection prior to judging.

Long wool sheep in the under 1½ years class (not to show more than two (2) permanent teeth) need not be shorn, but must carry a minimum of nine (9) months wool.

- 9.2 Shropshire: Exhibits in this section must be closely and evenly shorn and carrying not more than 1.5cm of wool at time of inspection prior to judging. Wool classes to carry no more than 9 months growth.
- 9.3 Poll Dorset: Shearing date for exhibits in wool classes will be between 1st December and 31st January in the year of competition. Rams to be machine shorn and untrimmed for all shorn classes.
- 9.4 Corriedale: In Corriedale sheep classes, limited restrictions are made on the number of days growth of wool to be carried by exhibits. Except for shorn classes, sheep may be exhibited either in full wool or half wool. For sheep in full wool, 10 to 13 months wool is acceptable. Sheep in half wool will be shorn after the Wagin Woolorama. The number of days wool must be stated on the application for entry for each sheep and they will be judged making allowance for the different shearing dates.
- 9.5 Ile de France: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.
- 9.6 Prime SAMM: Shearing date for all classes except the wool class is 1st July in the year of competition, or two (2) weeks either side of this date. The wool class date is 1 February in the year of competition, or two (2) weeks either side of this date.
- 9.7 Lincoln: Exhibits in this breed must be carrying not less than nine (9) months nor more than thirteen (13) months growth of wool at time of inspection prior to judging.
- 9.8 South Suffolk: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.
- 9.9 Suffolk: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.
- 9.10 Texel: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.
- 9.11 White Suffolk: All sheep to be shorn on or after 15th August and untrimmed.
- 9.12 Hampshire Down: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.

9.13 Charollais: All entries must be carrying no more than 1.5cm of wool at time of inspection prior to judging.

9.14 Shedding Breeds: All entries should not be trimmed, shorn or plucked.

10. INSPECTIONS

- 10.1 To determine verification of TYPE, DESCRIPTION and ELIGIBILITY Breed Society Standard and Conformity to the schedule will be used for inspection, every entry in the Sheep catalogue is inspected prior to exhibiting. The inspection is undertaken by one nominated breed representative and one independent inspector appointed by the Royal Agricultural Society.
- 10.2 The inspection team must be able to inspect the entries for conformity to the breed standard and eligibility for its nominated class.
- 10.3 All exhibitors are to comply with inspection times outlined and be in attendance to verify if a change of class is required.
- 10.4 Any decision or determination of disqualification is entirely within the discretion of the Inspection Team.
- 10.5 The exhibitor is informed of any decision to disqualify and the Inspection Team will complete the inspection summary in the front of the breed results file.
- 10.6 An exhibitor or competitor has the right to appeal the decision of the Inspection Team. A request must be lodged to the Councillor in Charge within one (1) hour after being notified. An Appeals Panel will meet to adjudicate the appeal, the Appeals Panel decision is final.

11. SCANNING

- 11.1 Sheep in scan classes that have been penned should be ready for scanning from 3.00pm - 6.00pm, Tuesday 30 September. Please listen for shed announcements.
- 11.2 For breeders who nominate sheep in scan classes for the Show, their animals will be scanned by Stocksmart at no charge.

- 11.3 Scanning is conducted under Stocksmart scanning' to avoid a potential conflict that scanners are working for their affiliated body whilst conducting scanning. If scanners are to show sheep, they are not to scan their own sheep.
- 11.4 Only sheep entered in scan classes at the Perth Royal Show are eligible to be scanned.
- 11.5 Any exhibitors who wish to utilise the services of the scanner must make those arrangements directly with the scanner. Out of competition scanning is purely at the discretion of the scanner and they are within their rights to charge a fee for this service.

12. FLOCK NUMBERS AND ELIGIBILITY

- 12.1 Exhibitors must provide the registered Flock Number of the breeder of each entry. All sheep competing in this section must be bred in a flock registered in a recognised Flock Book unless otherwise specified, and all exhibits must be the bona fide property of the Exhibitor.
- 12.2 Merino: A Merino cannot be shown in a Poll Merino class and a Poll Merino cannot be shown in a Merino class. A sheep is only eligible to be shown in its class using the specific flock registration number. The flock registration numbers will be shown on the application for entry in each class.

13. SHEEP FOR EXHIBITION

- 13.1 All sheep born in 2025 must have a NLIS (eID) tag before they leave the property. They must meet the requirements of the stock (Identification and Movement) Act, and can be shown and returned to their property. They must be accompanied by a NVD/Waybill and RASWA will keep a record of the animals that were at the Showground. Exhibitors should use the Showground PIC Number WCSG0001 as the identifier of the Showground on the NVD/Waybill and specify their return address. The BRAND must also be included on the NVD/Waybill.

14. SHEEP FOR SALE

- 14.1 They must meet NLIS requirements that is to be identified with an ear tag with the brand on it linked to the PIC Number of the property from where the animal came from to the Showground (Showground PIC No. WCSG0001). The Agents must receive from the buyer the Brand PIC of the destination property before completing sale. Records must be kept and available to Inspectors.
- 14.2 Full information relating to Enzootic Disease Regulations 1970 or Stock (Identification and Movement) Act 1970 can be obtained from the Department of Primary Industries and Regional Development or www.agric.wa.au.gov.

15. MEDICATION CONTROL

- 15.1 The purpose of this condition is to ensure that the normal performance of an animal during competition is not affected, either deliberately or unintentionally, by the influence of drugs and medications, or by any form of veterinary treatment. No drugs shall be administered to any animal exhibited in this section, except under the direction of RASWA's Veterinary Surgeon who shall advise the Councillor in Charge if in their opinion, such drug, medication or veterinary treatment is likely to have any effect upon the animal, which would be material to its chance of being awarded a prize, and in such case the Councillor in Charge may bar the animal from competing.
- 15.2 RASWA may make, or cause to be made, such test or tests of an animal, as it shall deem necessary to determine whether such drug has been administered to any animal which has been entered for, or has been exhibited in, any class or competition.

16. MOVEMENT OF STOCK TO WA

- 16.1 There are strict requirements for bringing livestock into WA. A completed Health Certificate for Movement of Stock to Western Australia (Form LB1), available from the Department of Primary Industries and Regional Development, must accompany each consignment of livestock en route into WA. It contains all entry requirements for livestock and is used to certify that livestock meet these requirements. For further information please contact the Department of Primary Industries and Regional Development.
- 16.2 Sheep purchased which are to remain in Western Australia will be subject to continuing quarantine surveillance as specified by Department of Primary Industries and Regional Development.

17. VETERINARY INSPECTIONS

- 17.1 Compulsory Veterinary inspections will be carried out on the day of competition.

18. VETERINARY SERVICES

- 18.1 A Veterinary Officer will be on call throughout the Show to provide services to injured or sick livestock. Exhibitors requiring services will be responsible for payment for all services rendered.
- 18.2 The Veterinary Office and Medication Control Centre is located at the corner of Edgar Avenue and the Cattle Lanes.
- 18.3 The duty Veterinary Officer can be contacted from 6.00am to 9.00pm through Asset Services on (08) 6263 3161 or (08) 6263 3146. After 9.00pm on any day please call Asset Services on (08) 6263 3127.

19. AUTOPSY

- 19.1 If at any time an animal which has been shown or is to be shown at the Show dies at the Showground, the Exhibitor/Owner shall not remove or permit the animal to be removed from the Showground without the prior written permission of RASWA's Veterinary Officer.

- 19.2 The Veterinary Officer will determine if the animal requires an autopsy to determine the cause of death. The Councillor in Charge will contact DIPIRD to arrange the autopsy.

- 19.3 If the exhibitor requests an autopsy, it will be at the exhibitor's expense.

- 19.4 Asset Services should be notified of a death. They may be able to assist with the disposal of the carcass.

20. OVINE BRUCELLOSIS

- 20.1 The rams of all breeds of sheep (unless a Breed Society has a specific ruling) will be required to be tested and Ovine Brucellosis negative in the year of competition. This means an exhibit must have either full accreditation or a serological blood test by the Department of Primary Industries and Regional Development showing negative results.

- 20.2 All rams exhibited must come from flocks registered with the Ovine Brucellosis (Ram Flock) accreditation scheme of the Department of Primary Industries and Regional Development, or all Exhibitors must provide a certificate from a Veterinary Surgeon certifying that their rams have been:

a) serologically TESTED TWICE for Brucella Ovis with negative results at an interval of 60 to 150 days;

b) clinically examined for epididymides with negative results; and

c) isolated from other sheep for a period of 21 days before the first serological test until exhibition at the Show.

A COPY OF THE CERTIFICATE MUST ACCOMPANY THE APPLICATION FOR ENTRY.

21. OVINE JOHNE'S DISEASE (OJD)

- 21.1 The National Sheep Health Statement (SHS) provides Exhibitors with the opportunity to declare their flock status. The form is included in the schedule and is voluntary.

22. FOOTROT

22.1 Footrot in sheep is caused by bacterial infection with *Dichelobacter nodosus*. Both virulent and benign footrot start as inflammation of the skin between the toes accompanied by moisture, reddening and loss of hair. Additional signs include varying degrees of lameness with one or more feet affected. Virulent footrot is a reportable disease in WA, and laboratory testing is required to diagnose virulent footrot or rule out presentations of a similar nature such as benign footrot and foot abscesses.

22.2 All entered sheep must be from a flock that is clinically free from virulent footrot.

22.3 All entered sheep must be from a flock that is clinically free from benign footrot or Ovine Interdigital Dermatitis (OID) (Scald). If benign footrot is present on the property, a Department of Primary Industries & Regional Development (DPIRD) Biosecurity & Agricultural Management Act (BAMA) inspector must have checked, sampled and tested sufficient sheep on the property to be confident that only benign footrot is present. The BAMA Inspector must provide this advice to the RAS Councillor in charge of sheep prior to the commencement of the Perth Royal Show. Note this process may take up to four weeks.

22.4 All entered sheep must be checked for lesions consistent with footrot. No sheep showing signs of footrot are to be brought to the show grounds.

23. DIPPING AND/OR PARASITIC CONTROL

23.1 All shorn sheep must comply with Government regulations and any necessary declarations lodged with Department of Primary Industries and Regional Development. This condition does not apply to sheep which are to be taken directly back to the Exhibitors' property and are not for sale.

24. FODDER

24.1 All fodder must be purchased at the time of entry.

25. LOCKERS

25.1 Exhibitors may reserve lockers by completing and forwarding with entries. Lockers measure 180cm x 130cm x 130cm and are a fee of \$2.50 per locker, which is payable with entries.

25.2 Exhibitors are required to supply their own locks, if required, for all feed lockers.

25.3 Only Exhibitors who have more than 10 sheep can be allocated more than one (1) locker.

26. STOCK BEDDING

26.1 Bedding will be supplied by RASWA. Exhibitors are requested to be as economical as possible in their use of bedding.

26.2 Each pen will be provided with half a bale of straw at the start of competition and refurbishment straw is allocated at one bale per five pens per day.

26.3 Extra bedding can be purchased at time of entry.

27. CLEANING OF PENS

27.1 All straw from pens must be placed at the end of aisles by no later than 8.00am every day. Shed staff will be closing off access to the main alleyway at 8.00am to allow for the Dingo to operate safely. Fresh straw will be made available from 6.30am each morning.

27.2 Height of straw must never be allowed to build up above 200mm from the base of the pen.

27.3 Exhibitors are not required to clean out pens on the last Saturday of the Show.

27.4 Exhibitors must endeavour not to waste bedding straw.

27.5 In the case of rams in pens that predominantly urinate in the centre of the pen, please remove all soiled bedding with fork and then pull remaining straw from edge of pen to cover up hole created, then add a limited quantity of fresh bedding to top up pen in accordance with point 27.2.

- 27.6 In the case of ewes, the reverse should be practised as centre is possibly unsoiled.
- 27.7 These requests are made in the interest of reducing the quantity of bedding used. The practice by some Exhibitors to keep adding fresh straw is not to continue as the smell builds up. If this rule is not adhered to it may become necessary to charge for straw.

28. ELECTRICAL DEVICES AND CORDS

- 28.1 Any Exhibitor intending to bring electrical equipment to the Showground will be required to ensure that such equipment is fitted with residential current protection, and that all electrical leads, tools and appliances have been inspected by licensed electrical contractor and currently tagged.
- 28.2 Only those electrical appliances and electrical cords with the required tag can be used on the Showground.
- 28.3 The use of double adaptors is prohibited. All power boards must be tested and tagged.

29. ARRIVALS

- 29.1 Vehicles delivering exhibits are to enter through "Private Road" Gate 6 off Graylands Road, open from 6.00am to 8.00pm.
- 29.2 Sheep vehicles are to proceed east along "Private Road" to the Jim Horwood Pavilion.
- 29.3 Access to the pavilion is via the concrete ramp on the Western side of the pavilion and driving up the landing deck where mobile unloading ramps are available.
- 29.4 Exit is through Gate 8.
- 29.5 Vehicles will NOT be able to enter at Gate 8 off Ashton Avenue after the Show commences.

30. PENNING

- 30.1 All Sheep must be penned by the times stated below for each breed. If unavoidably delayed in transit, special arrangements are to be made with the Councillor in Charge in the Jim Horwood Pavilion.

- 30.2 It will be the responsibility of the Exhibitor or their agent to place the sheep in pens allocated to them in whatever order they desire to best show off their exhibits. Pen numbers bear no relation to their catalogue number. Once penned, the pen number can then be written in on the catalogue tag for management purposes. Prior to the penning of exhibited sheep, no sheep except those entered for competition shall be allowed in the competition pens.

- 30.3 After being penned, only Breed Society Officials, Exhibitors or their representatives are allowed to handle sheep prior to being judged. Any person breaching this condition is liable to expulsion from the Showground.

31. OBJECTIVE MEASUREMENT

- 31.1 Exhibitors will be notified of when they will be required to bring their animals forward.

- 31.2 The priority traits to be measured that affect meat yield are:

- Fat thickness (depth)
- Rib eye depth or rib eye area

The software program used calculates these measurements. The program uses a formula that ranks or promotes animals that have the current desirable measurements to increase meat yield or have a good correlation of fat and meat in proportion to live weight.

Each animal is given objective measurement points to a maximum of 60 (calculated by the program) and the Judge adds his final structural and personal assessment points to a maximum of 40.

The points are then totalled by the steward and the highest point scoring animals are then awarded by the Judge.

- a) Each breed to be scanned on a breed basis to make a valid comparison of entries in that breed.

b) Only entries nominated on the application for entry in a scan class will be eligible to compete in a scan class across all breeds.

c) All scanning takes place on Tuesday afternoon between 3-6pm. Exhibitors will be called up from 3pm.

32. DRESS CODE FOR JUDGING RING

32.1 The minimum dress code required before entering the judging ring has been determined by the RASWA Sheep Committee as:

- a) Closed in footwear;
- b) Long trousers; and
- c) Collared shirt

33. FAILURE TO COMPETE

33.1 An Exhibitor/Owner not bringing forward their exhibits to compete forfeits their right to stalls or pens allotted to such animal.

34. REMOVAL TIMES

34.1 Merino, Poll Merino and Corriedale:
All exhibits may depart after 5.00pm Monday 29 September 2025 and must be totally cleared by 12.00pm on Tuesday 30 September 2025.

34.2 Australian White, Shropshire, South Suffolk, Wilshire Horn, Texel, Suffolk, Prime SAMM, Wiltipoll, Poll Dorset, White Suffolk, Border Leicester, Hampshire Down, Charollais, Lincoln and Ile De France: All exhibits may depart after 3.30pm Saturday 4 October 2025.

34.3 All Breeds Ram and Ewe Sale: At the conclusion of the All-Breeds Stud Ram and Ewe Sale on Friday 3 October 2025.

34.4 In extreme circumstances, arrangements for early departure can be made with the Councillor in Charge.

34.5 Livestock Release Authority forms must be obtained for all sheep.

35. SPONSORSHIP

35.1 Only registered members of the Australian Stud Sheep Breeders Association (ASSBA) are eligible for ASSBA sponsorship in the Meat Breed Stud section of the Show.

LIVESTOCK SALES REGULATIONS

Nominations

For sale of Rams & Ewes, please nominate to the Royal Agricultural Society of WA through the entry system.

Nomination must indicate the six-digit Sheep Genetics Tag Number or NLIS Tag Number if not utilising Lambplan for all sheep nominated.

Nomination must indicate if a Ram or Ewe is being offered in the sale.

Please be aware that a minimum price of \$2000 for Rams and \$500 for Ewes will be the reserve price set on the Sale Day by Sale Agents.

All Rams and Ewes must be registered with relevant Breed Societies.

Health

All sale animals nominated must adhere to the Royal Agricultural Society of WA Health protocols.

Breeds

The sale order by breed will be as follows unless changed by the Royal Agricultural Society Sheep Committee:

South Suffolk – Suffolk – White Suffolk – Poll Dorset – Other Breeds (order depending on whether they have sold in the previous year or previously).

Rams sell first in the breed first, then followed by the Ewes.

Vendors

Vendor selling order will be determined by highest sale average from previous year's sale. The average price will be determined on a minimum of 3 Rams or Ewes sold for example:

3 offered and 1 sold at \$3200.

Vendors can offer a total of 60% of their nominated animals in the first run of each breed and then sell remainder in subsequent runs. All Rams or Ewes to be sold out for returning vendors.

New vendors (even if they miss a year) will sell a total of 60% of their nominated animals at the back of the first run of the Breed then sell remainder in subsequent runs. If multiple new vendors nominate, then they will be allocated sale order on stud name alphabetically.

Vendors may only nominate a total of 2 Ewes for the sale. An exemption to this number, if agreeable by the Sale agents, will be for a genuine stud dispersal of elite genetics.

The Champion Ram of a Breed can be elevated to the first lot of the breed on sale day if the vendor has Rams nominated in the sale. The Champion Ram is to be substituted for one of the Rams already nominated by that vendor. If the vendor does not have any rams nominated in the sale, then the Champion Ram cannot be offered in the sale.

Sale Catalogue

Sale catalogue will be prepared by the conducting selling agent that year. All nominated animals must have Sheep genetics ID tag or NLIS tag details to selling agent by no later than three (3) weeks prior to sale day, Friday 12 September.

Sale Catalogue will be finalised on the Friday 26 September, one week before sale.

Catalogue will go to print on the Tuesday 30 September.

Late changes after the Last Friday will not be entered into the printed catalogues.

Electronic catalogues will be sent out across Australia on Monday 15 September, with changes up to the last Friday.

Sheep Genetics figures will be entered from their most current run to the Last Friday before sale day.

Disputes

Any disputes arising before sale are to be directed to the Royal Agricultural Society of WA Councillor in charge of Sheep.

1. The object of the Governor's Cup award is to encourage Exhibitors to compete with the highest quality pedigree breeding exhibits and reward both excellence and consistency throughout the whole range of their exhibits.
2. The Governor's Cup is only open to bonafide Western Australian Exhibitors. Government Institutions including Agricultural Schools and Colleges are eligible to compete.
3. ALL ANIMALS ARE TO BE ENTIRE e.g. Geldings and spayed mares are not allowed.
4. Sections and Breed classes in which points can be gained are as follows with exclusions as stated:

ALPACA: First, Second and Third prize winners from all Single Pen classes, excluding Group and Special classes.

CATTLE: First, Second and Third prize winners from all Single Pen classes, excluding Progeny, Group and Special classes.

GOATS: First, Second and Third prize winners from all Single Pen classes, excluding Progeny and Group classes.

HORSES: First, Second and Third prize winners from all Single Pen classes, excluding Ridden, Group and Special classes.

SHEEP: First, Second and Third prize winners from all Single Pen classes and Pairs, but excluding Novice, Group and Special classes.
5. All livestock exhibits must be either:
 - (a) Bred by the Exhibitor, or owned, leased or syndicated by the Exhibitor for a minimum of six (6) months as at the date of judging and provide proof of the transaction by way of receipts or registration papers.
 - (b) Exhibited by the original owner under arrangement with the purchaser.
6. (a) The Exhibitor can enter all classes in their breed section, but the maximum number of classes for which an Exhibitor will gain Governor's Cup points are from the highest scoring ten (10) Single Pen classes.
 - (b) In the event of a tie for first place, the Governor's Cup will be jointly awarded.
7. An EXHIBIT is DEFINED, for the purposes of this award, as follows:
 - (a) As per Single Pen classes.
AN EXHIBIT MAY ONLY RECEIVE POINTS ONCE.
8. Points will be allotted as follows:

First 4 points
Second 2 points
Third 1 point

If an Exhibitor has multiple placing's within a class then all placing points will be included in the total for that class. Championships will NOT be included unless the circumstances below apply:
9. Points will not be allocated unless at least TWO (2) EXHIBITORS participate in each class except in the event of the animal going on to win a Championship or Reserve Championship with competition, in which case points scored on the Governor's up scale will be awarded for the original class in which the animal competed. If an animal has not been awarded any Governor's Cup points because it faced no competition in its breed or section, but that animal goes on to win an award with competition, points scored on the Governor's Cup scale will be awarded for the original class in which the animal competed.
10. Livestock sections should address a means of promoting excellence within their respective areas. It will lead to competition across the sections.
11. Declaration on Entry Form: To be eligible for participation in the Governor's Cup Competition you must have signed the Declaration on the entry form to acknowledge that you have read all the Rules and Regulations governing the Governor's Cup Competition and you agree to abide by them.

Ram and Ewe Sale Nominations

FUTURE SHEEP BREEDERS CHALLENGE

A competition to educate students in feeding and preparing merino sheep for competition.

Sponsored by The Stud Merino Breeders of WA and RASWA.

The competition is in two (2) sections using merino wethers;

1. Wool and meat yield commercial value; and
2. Exhibit presentation and handling.

Points for each section are added together to arrive at a winner of the challenge.

TIMING:

Friday 26 September 2025

Deliver entries to the Jim Horwood Pavillion by 12.00pm (midday). You will need to provide fodder so that the shed staff can look after the sheep.

Monday 29 September 2025

9.00am: School/College team of students in attendance. Team of four (4) sheep to be presented by students for weighing and judging in the wool. Then wethers shorn, fleeces weighed and commercial value of each fleece calculated. Each team will handle their own fleeces. RASWA will provide shearers.

12.00pm: Lunch provided by RASWA.

1.00pm: Presentation of prizes.

CONDITIONS OF ENTRY:

1. Open to invited Schools/Colleges.
2. Each College is provided with six (6) merino wethers to prepare for the Merino wether section. Each wether is tagged and numbers recorded against competing School/College. Wethers will need to be shorn by the School/College.
3. The wethers will be from the high rainfall area and from a flock that is OJD free (Vaccinated).
4. The wethers are to be paddock run, not on a feeder or shedded/covered.
5. The School/College selects four (4) wethers and brings them to the Show for the competition.
6. The wool remains the property of the Stud Merino Breeders Association of WA.
7. The wool will be sold after the competition by the SMBA of WA and the funds used to provide prize money for the following year.

A stud breeder has been appointed by SMBA of WA as a mentor for each of the participating Schools/Colleges.

The General Show Regulations and Section Conditions as set down by RASWA in the Sheep schedule are to be adhered to.

ALL enquires should be directed to Peter Gelmi, RASWA Sheep Councillor in Charge on 0429 846 233.

AWI YOUNG SHEEP PRODUCERS CHALLENGE

This event is seen as a great opportunity for students to receive advice from leading industry trainers while competing against other students from across the state.

The competition is in three (3) sections:

1. Shearing;
2. Woolhandling; and

Don Boyle, WACSA and Jim Murray, AWI will oversee the shearing and woolhandling with students judged and scored in accordance with West Australian Competition Shearing Association rules. Two (2) students will shear one (1) sheep each whilst two (2) students from the team sort the wool.

3. Ewe Selecting.

Ewe selecting will be overseen by a highly regarded sheep classer. Two (2) students competing in this area will have to assess nine (9) merino ewe hoggets and select a top group of three (3), middle group of three (3) and a bottom group of three (3) hoggets. The sheep should be selected for evenness, quality and quantity of wool and conformation.

The students will be scored on their ability to place sheep in the correct order, skill in handling the sheep e.g. opening of wool, checking teeth and their ability to explain to over-judge the reasons for their selections and be able to point out good points and faults on individual sheep. Students will compete in a teams of six (6) with two (2) students participating in each section.

SCORING:

Scoring of the event will place a student for each individual section and then be combined for the overall winning team. Points for each section are added together to arrive at a winner of the challenge.

PROGRAM:

Jim Horwood Pavilion, Claremont Showground

FLEECE SHEEP - MERINO/POLL MERINO

Stud Merino Breeders Association of WA and the Royal Agricultural Society of WA cooperatively sponsor the prize money in the Merino/Poll Merino classes.

All standard classes will receive prize money as listed below, unless otherwise specified.

First: \$50; **Second:** \$30; **Third:** \$20

A standard class is identified by being a Single Pen class. Special classes and Group classes will only receive prize money if sponsored.

Definition of a Poll Merino: For a ram to be classed as a Poll Merino ram it must:

1. Be sired by a Merino ram or Poll Merino ram out of a Merino ewe or Poll Merino ewe.
2. Have a concavity in the bone of the skull on the horn site. A bone knob or small scur may be set in the concavity of the skull. (Note: a scur is a horny growth not attached to the frontal bone).
3. Ram: Not have a scur or bone knob either of which measures more than 25mm in diameter across the widest part of its base.
4. Ewe: Have no sign of any horn growth or bone knob set in the concavity.

Shearing Regulations & Eligibility Criteria

Exhibits in all classes are to be regulation shorn and tagged, except for the Unhoused/Unrugged exhibits.

Sheep eligible for the Supreme Exhibit of the Show must be regulation shorn and tagged.

Sheep eligible for the Junior Ram and Junior Ewe of the Show do not need to be regulation tagged.

Judging Points System:

In the event of an exhibit winning a class without competition, no points will be allocated. However, if the exhibit goes on to win a championship with competition, points will be allocated.

All classes will count:

First 4 points

Second 2 points

Third 1 point

Judging Group Classes:

Any wool count, to be judged on evenness of conformity and type. Selected from exhibits in general classes. Open and open group classes to receive full points. For group classes the junior classes of sheep must not be dropped before 1 March of the year prior to the Show.

THANK YOU TO OUR SPONSOR

The Royal Agricultural Society of Western Australia gratefully acknowledges the following sponsor for their sponsorship throughout the Sheep Dog Championships.

MILNE AGRI GROUP PTY LTD

Disclaimer: Confirmation of sponsorship received after the printing of the schedule will be acknowledged in the Sheep Catalogue. Prizes listed in the schedule are correct at the time of release however may be subject to change.

DO YOU WANT TO BECOME AN INTEGRAL PART OF THE PERTH ROYAL SHOW SHEEP DOG SECTION?

We are looking for individuals, clubs, associations, or businesses to become sheep dog sponsors. Sponsorship helps us to run educational demonstrations for the public as well as a great competition for West Australian Dogs and Handlers.

As a sponsor we can offer you the opportunity to present your award and your name in RASWA publications and social media.
